

*Learning to use the New Hippocratic Diet<sup>®</sup>  
is now available in an online course*

*The same opportunity to learn this effective plan previously accessible only through live lectures by Dr. Irving A. Cohen is now available through an online course.*

*sign up now at*

**[www.Learn2Diet.com](http://www.Learn2Diet.com)**

**Who should take this course?** 1. Anyone considering starting the **New Hippocratic Diet<sup>®</sup>**, whether they are overweight or a type 2 diabetic.  
2. Those needing a refresher or more knowledge for themselves or to help another.

**How long does it take?** About 8 hours, but we suggest you take it in multiple sessions.

**What are the computer requirements?** This course is designed to run well both on most standard personal computers (Windows XP and above with at least 512 mb memory and screen resolution at least 800x600 or Apple MAC 10.5 and above) using a high-speed connection (such as cable or DSL) including laptops and tablets such as Apple Ipad.

**How much does it cost?** \$99 for one learner.

**How do I sign up?** Go to [www.Learn2Diet.com](http://www.Learn2Diet.com) and follow the directions.
